

SoCalGas® Non-Residential Water Heating Rebates

Are you installing a new water heater for a non-residential SoCalGas customer? Instant rebates may be available for high quality, energy efficient equipment.

Determining Qualification is Easier than Ever

If you answer YES to the following questions, your customer and product may qualify for a discount at the point-of-sale, no paperwork required.

| Qualifying Questions | YES | NO |
|--|-----|----|
| Are you installing a tankless water heater, storage water heater, commercial space heating boiler, or commercial hot water boiler? | ✓ | |
| Will this replace a gas water heater? | ✓ | |
| Is the equipment that will be installed new? | ✓ | |
| Is this a non-residential or multi-family customer? | ✓ | |
| Is the new equipment energy efficient? | ✓ | |
| Will the hot water be used for domestic purposes? | ✓ | |

Ask your Participating Distributor about available incentives today.

If your distributor is not enrolled in the SoCalGas Distributor Water Heating Program, call (888) 304-2419 or email SoCalGas-WH@CLEAResult.com to find a Participating Distributor near you, or encourage your distributor to enroll.

If you are working with a residential customer, there may be rebates available. Visit socialgas.com to learn more.

The SoCalGas Distributor Water Heating Program is funded by California utility customers and administered by Southern California Gas Company (SoCalGas®) under the auspices of the California Public Utilities Commission, through a contract awarded to CLEAResult, Inc. Program funds will be allocated on a first-come, first-served basis until such funds are no longer available. This program may be modified or terminated without prior notice. **SoCalGas makes no warranty, whether expressed or implied, including a warranty of merchantability or fitness for particular purpose of selected goods and services.** California customers who choose to participate in this program are not obligated to purchase any additional services offered.

SoCalGas® No-Residencial Reembolso para el Calentamiento del Agua
